

DAVIS GENEALOGY CLUB

MARCH MEETING

CAROL WILLIAMS GEBEL

ROOTS AND QUILTS: THE GENEALOGY OF QUILTERS

Our speaker has researched, created and collected quilts since the 1980s. During the course of her work, Ms. Gebel found quilts and genealogy to be surprisingly interlinked. She will bring several quilts from her collection to illustrate how she uses genealogical techniques and resources to research 19th Century quilts.

Monday, March 31, 2008 • 1 PM

DAVIS SENIOR CENTER • 646 A STREET, DAVIS

*Davis Genealogy Club meetings are open to the public and guests are welcome.
