Tips for Successful Cemetery Research *Plus How to Use FindAGrave.com*

Speaker: Pamela Bell Dallas, Genealogist

Cemeteries are one of the most valuable resources in family history research. We will explore methods of locating cemeteries, preparing for the research trip, and ways of recording the information you find there.

Come learn about burial registers, headstone inscriptions & symbols, plus much more during this fascinating presentation. Also included will be how to use the popular online grave registration website, FindAGrave.com, which currently lists more than 57 million grave records.

Popular returning speaker Pamela Bell Dallas is a professional genealogist, author, and lecturer. She is a member of the Association of Professional Genealogists and has served on the board of several societies, appeared on local television talk and radio shows, and local genealogy instructional TV videos.
